PEACE THROUGH UNDERSTANDING . . .

With Peace Through Understanding as its theme, the New York World's Fair opened its doors on April 22, 1964. Here the arts and ideas, products and progress of the nations and peoples of the world are gathered in a memorable assembly of friendship, humanity and hope.

WE PROUDLY DEDICATE
OUR YEARBOOK
TO
MR. HERMAN T. SCHWARTZ

It is with great honor and respect that we, the June class of 1964, dedicate our Yearbook, Athenaeum, to Mr. Herman T. Schwartz. We feel Mr. Schwartz's perception and depth of knowledge should be publicly made known to the members of the class and future graduating classes from the New Barringer.

Mr. Schwartz has succeeded in being both an animated instructor, and a thoughtful, understanding and jolly human being. We recognize the difficulty for a teacher to teach and still remain human, and we realize that our Mr. Schwartz has done just that.

MR. HERMAN T. SCHWARTZ

Physics is both exciting and fascinating when taught by Mr. Schwartz.

THEIR PRESCRIPTION
FOR SUCCESS
CONSISTED OF
PATIENCE,
UNDERSTANDING,
INTELLIGENCE,
AND ENDURANCE!

Tiny, pert, and vivacious is our Miss Edith Scalera, who has worked with us diligently in our many senior activities. To her we owe much respect and appreciation for a job well done. Her confidence in us gave us the courage to assume our responsibilities.

Mr. Adolph Argand deserves to be honored by the senior class, for he bore the brunt of financing the expensive activities of the seniors. His driving, no-nonsense approach got the onerous job done. Mr. Argand taught us how to assume responsibility and leadership. We thank him.

ANOTHER CHAPTER IS ADDED TO PROFILES IN COURAGE

"Full participation in our society can no longer be reserved to men of one color. We intend to press forward with legislation, with education, and with action, until we have eliminated the last barrier of intolerance. For as long as freedom is denied to some, the liberty of each of us is in danger."

Speech after 100 days as President
Time Mag., March 6, 1964

"Peace is a process—a way of solving problems . . . In the final analysis, our most basic common link is that we all inhabit the small planet; we breathe the same air; we all cherish our children's future; we are all mortal."

A SYMBOL OF LIFE

A stem is the staff of life,
the straight path;
Follow it!

The thorns are our trials at
the given time;
Accept and forget them not!

The bud is life unfurling in
color and fragrance;
Appreciate it!

Friend, embrace the goods that
life offers tenderly;
Fore in time as withered petals
we will be!

WE WILL MEET AGAIN AND AGAIN

At a dinner dance last night at the Chez Latino, the June 1964 class of Barringer High School met for its twentieth reunion. Present were most of the members of the class who have since become distinctive in their own particular fields.

President of the class, John Cioffi, who is now a foremost engineer, arranged the entire affair with the assistance of his high school Vice-President, Domenick Bizzaro, now an eminent psychologist, and class secretaries Arlene Sebastian and Linda Todaro, both outstanding educators.

Many people who are now teachers and professors were known as pals while in school. This group included Marion Pennella, Mike DeVincenza, Alan Da Cunzo, Annette Franicola, Ora Allen, Jeanne Demetrolaukas, Carmine Cicurillo, Vincent Inneo, Harry Forina, Alice McBee, Walter Genuario, and David Petrillo.

The dinner was prepared in an old-fashioned manner and the food was supreme. Group singing of old songs was led by Ed Jaorsky. Entertainment and dance music was provided by the "Vinny Gee" Quartet, featuring Vincent Giantomasi, Nick Meola, Lou Zagada and Joe Di Careo alternating with "The Classics Four," with John Capriglione, a music teacher, Dr. Joseph Coppola, Alex Mancini and Michael Del Corsano.

A special guest was Prime Minister Djelal Kadir, who flew here from Cyprus specially to attend this reunion. Two other distinguished guests were Governor Frank Abate (D) of New Jersey, and Governor DeVesa (R) from California.

The most elegant restaurant, of which Richard De Fabrizio was the architect, was lavishly decorated in blue and white flowers. Also blue and white was the color of Maria Di Norcia's striking evening gown, a Sandi Balthrop original. Miss Di Norcia, now a prominent physicist as the class noted, was co-valedictorian with Steve Borsher the famed mathematician, who has written several books on Mathematical Deduction.

Among the couples dancing on the flower laden terrace, decorated by Art teacher John Britton, were John and his wife. Dr. and Mrs. Joseph Fusco, and bachelor Clinton Miller renewing an old friendship with Nurse Margaret Brown.

Others present, now in the medical profession, were Pediatrician Rose Galdo, Dr. Michaela Komarow, Dr. Dee Dee Macris. Nurse Judy Skiba, and Pharmacists Pat Picone, and Louis Ronzo, Nurses Gail Holmes and Sharon Herdade.

The enormous job of contacting the class was done by the class secretaries, with the assistance of those women of the class who now are professional secretaries: Carol Barillari, Ida Natalizio, Annette De Simone, Annette Grasso, and Regina De Christofaro.

Many of the people active in sports were acknowledged. Among the girls were many of the former Cheerleaders including Secretary Judi Cavanna, Michaela Fontanella, a teacher, Michele D'Agostino, an FBI stenographer and Margaret Genitempo, a physical education teacher.

The men present, who were prominent in B.H.S. Football, Track, Baseball, Swimming, and Soccer, were the now famous ball-player Nick D'Orsi, Tony Norcia, Henry Polite, and electrical engineer Richard Biondi, who still plays ball with his sons.

The twentieth reunion of the B.H.S. Class of 1964 was a great success. Our thanks to the Chez Latino for a beautiful setting and good food. Plans were made for a reunion next year, in the form of a cocktail party.

As the evening drew to a close, everyone became just a bit quieter as we thought about how our lives had changed, how much more experience we had acquired, and how much happiness we had reaped since we were together in school many years ago.

REMEMBER

Remember the old grammar school—
The teachers and friends—
The plans for your future
Seeming never to end.

Recall now the tears
At your first graduation—
The diploma, the parties—
Brimmed high with elation.

Your first year in Barringer
When high school seemed new—
New teachers, new friends,
And the motto, Big Blue.

Then finally through hard work,
You enter fourth year,
Remembering all others
With joy and a tear.

You have carried your problems,
The hardships endured;
And now you're a senior,
Already matured.

Now think of your future
With anticipation,
And for which you have made
Four years of preparation.

Though you face a great challenge,
Both real and intense,
Your knowledge shall now grow
From experience.

In approaching this crossroad
To begin a new life,
Keep foremost in mind
Truth, Honor and Light.
